### **OVERVIEW OF THIS BANKRUPTCY CASE**

#### **A. Background**

The Debtor is a now-defunct law firm that had operated at various times from offices in Irvine, California, Los Angeles, California, and Park City, Utah, and potentially other locations. It previously represented clients in personal injury, mass tort, and class action cases. L&B typically entered into contingent fee arrangements with its clients and advanced various expenses to be repaid from any recoveries.

The Debtor previously was managed by Philip Layfield. In September 2017, the State Bar of California initiated twelve counts of disciplinary charges against Mr. Layfield, alleging that, between August 29, 2016, and February 24, 2017, Layfield (or an employee of the Debtor) received and failed to account for, maintain and provide to, and thereby willfully misappropriated, the aggregate amount of approximately \$3.4 million in settlement funds that should have been forwarded to three L&B clients, in violation of state law. *See First Amended Notice of Disciplinary Charges* (the “Notice of Disciplinary Charges”), filed in State Bar Court, Hearing Department – Los Angeles on

September 26, 2017, *In re Philip James Layfield* (Case Nos. 17-O-04140; 17-O-04198; 17-O-04754): <http://members.calbar.ca.gov/courtDocs/17-O-04140.pdf>. On January 24, 2018, the State Bar Court entered its *Order Entering Default and Order Enrolling Inactive (Rule 5.81 – Failure to Appear)*, deeming the facts alleged in the Notice of Disciplinary Charges admitted and rendering Layfield an inactive member of the State Bar of California.

<http://members.calbar.ca.gov/courtDocs/17-O-4140.pdf>.

On February 23, 2018 the United States filed a Complaint against Layfield in the United States District Court for the Central District of California alleging mail fraud. *See United States of America v. Philip James Layfield* (U.S. District Court Case No. SAMJ18-0070). That same day, the United States also filed a *Government’s Notice of Request for Detention*, seeking pretrial detention of Mr. Layfield. On or about February 26, 2018, Layfield was taken into custody at Newark Airport, and subsequently booked into a facility in Essex County, New Jersey.

**B. The Commencement of the Case and Appointment of the Chapter 11 Trustee**

On August 3, 2017 (the “Petition Date”), petitioning creditors The Dominguez Firm, Inc. (“TDF”), a law firm that previously referred matters to the Debtor, and Mario Lara, Nayazi Reyes and Maria A. Rios, each a former client of the Debtor (the “Petitioning Creditors”), filed an involuntary petition for relief under chapter 7 of the Bankruptcy Code against L&B [Docket No. 1].<sup>1</sup> That same day, the Petitioning Creditors filed an *Emergency Motion for Appointment of an Interim Trustee Under 11 U.S.C. § 303(g) and Granting Emergency Relief* [Docket No. 3] (the “Trustee Motion”). In the Trustee Motion, the Petitioning Creditors asserted, among other allegations, that “[s]ettlement proceeds have not been distributed and may no longer exist, vendors and other creditors have not been paid and clients are effectively unrepresented in some 80 pending cases,” and that, consequently, the appointment of a trustee is “essential to protect and preserve property of the . . . estate and to prevent concealment, waste, loss or conversion of the assets of the estate . . . .” Trustee Motion at 1.<sup>2</sup>

<sup>1</sup> PSZJ respectfully requests that the Court take judicial notice of documents filed in the record of this Case, pursuant to Rule 201 of the Federal Rules of Evidence.

<sup>2</sup> The Petitioning Creditors are not the same former L&B clients whose misappropriated settlement funds are the subject of the Notice of Disciplinary Charges.

1 In response to the Trustee Motion, the Debtor filed a *Motion to Convert Case Under 11*  
2 *U.S.C. §§ 706(a) or 1112(a)* on August 8, 2017 [Docket No. 19] (the “Conversion Motion”), seeking  
3 to convert the Case to one under chapter 11 of the Bankruptcy Code. On August 11, 2017, the Court  
4 entered orders granting the Conversion Motion [Docket No. 25], and denying the Trustee Motion  
5 [Docket No. 24]. The Order for Relief in the Case also was entered effective August 11, 2017  
6 [Docket No. 99].

7 On August 16, 2017, the Debtor, Petitioning Creditors, and the Debtor’s pre-petition lender,  
8 Advocate Capital, Inc. (“Advocate”), entered into a *Stipulation for the Appointment of a Chapter 11*  
9 *Trustee* [Docket No. 38] (the “Trustee Appointment Stipulation”), on the grounds that “the Parties  
10 believe that all creditors and the Debtor would be better served by the appointment of a chapter 11  
11 trustee,” which the Court approved by order on August 17, 2017 [Docket No. 42]. Trustee  
12 Appointment Stipulation ¶¶ D at 2.

13 On August 21, 2017, the United States Trustee (the “UST”) filed its *Notice of Appointment of*  
14 *Chapter 11 Trustee*, appointing Richard M. Pachulski as Chapter 11 Trustee in the Case [Docket No.  
15 51]. Also on August 21, 2017, the UST filed an *Application for Order Approving Appointment of*  
16 *Chapter 11 Trustee* [Docket No. 53], which application was granted by the Court’s order entered the  
17 following day [Docket No. 56].

18 On August 28, 2017, the Trustee filed his *Acceptance of Appointment as Chapter 11 Trustee*  
19 [Docket No. 63].

20 **C. Employment of PSZJ**

21 On August 29, 2017, the Trustee filed his application to employ PSZJ as general bankruptcy  
22 counsel [Docket No. 64], and the application was granted on October 2, 2017, effective as of August  
23 22, 2017 [Docket No. 102]. PSZJ is a law firm with offices in Los Angeles, San Francisco,  
24 Wilmington, and New York. The Firm currently employs approximately 65 attorneys and  
25 specializes in business reorganizations, bankruptcy, commercial law, and litigation. Neither the  
26 Firm, nor any of its lawyers, has any agreement or any understanding of any kind or nature to divide,  
27 pay over, or share any portion of the fees to be awarded the Firm with any other person or attorney,  
28 except among the Firm’s partners.

**D. The Trustee's Activities Since Appointment**

Since his appointment, the Trustee and PSZJ have engaged in discussions with, and requested documentation and information from, persons and entities associated with the Debtor and third parties regarding the Debtor's assets, liabilities, and business operations. The Trustee's and PSZJ's efforts to determine the extent and nature of the Debtor's assets have been frustrated by numerous circumstances, including:

1. The Debtor never filed Schedules, Statement of Financial Affairs, or a Creditor Matrix.
2. No representative of the Debtor appeared at the initial meeting of creditors conducted pursuant to section 341(a) of the Bankruptcy Code or any continued meeting.
3. No representative of the Debtor appeared at the Initial Debtor Interview to be conducted by the UST.
4. The Debtor failed to submit to the UST the Attorney's 7 Day Package required by the Guidelines and Requirement for Chapter 11 Debtors in Possession, promulgated by the UST.<sup>3</sup>
5. The Debtor's counsel withdrew due to "[a]n irreconcilable breakdown of the attorney-client relationship," Layfield's resignation from the Debtor, and nonpayment by the Debtor. Thus, there has been no one with whom the Trustee's counsel could communicate on an on-going basis regarding the Debtor's previous operations and business relationships.
6. The Debtor's Utah offices reportedly were accessed around the time of the commencement of the Debtor's bankruptcy case at which time the Debtor's servers and other electronic equipment allegedly were removed and numerous files deleted.
7. The Trustee and PSZJ were provided with only limited documentation (or limited access to documentation) regarding the Debtor by the Debtor's counsel and affiliated parties.

Notwithstanding such challenges, since his appointment, the Trustee and/or PSZJ have (among other tasks):

1. **Determined the "universe" of litigation in which L&B has been involved, whether as plaintiff's trial counsel, referring counsel, co-counsel, or otherwise.** Identifying such

---

<sup>3</sup> Debtor's counsel prepared an unsigned, incomplete, draft Attorneys' 7 Day Package that was informally provided to the UST by the Trustee.

1 litigation and the numerous parties in interest involved allowed PSZJ to augment a master list of  
2 potential creditors (including litigants, former co-counsel and referral sources) to receive notice of  
3 the pendency of the Case, the relevant claims bar date, and of the appointment of the Trustee as the  
4 party entitled to assert L&B's legal and equitable interests. On December 4, 2017, the Trustee filed  
5 the *Notice of Chapter 11 Bankruptcy Case and Bar Date* [Docket No. 157] (the "Case Notice"),  
6 together with a proof of service indicating PSZJ's dissemination of the Case Notice to approximately  
7 20,000 recipients;

8       2.     **Asserted the estate's attorneys' lien rights in L&B-related litigation.** Once the  
9 Trustee or PSZJ were able to identify a lawsuit in which L&B was involved and in which the  
10 bankruptcy estate might be entitled to assert an Estate Fee and Cost Claim, PSZJ filed in the relevant  
11 court and served on parties and counsel of record a *Notice of (A) Pendency of Case Under Chapter*  
12 *11 of the Federal Bankruptcy Code; (B) Appointment of Trustee; and (C) Lien for Attorneys' Fees*  
13 *and Costs* (a "Case and Lien Notice"). PSZJ filed and served hundreds of Case and Lien Notices  
14 between September 5 and November 2, 2017;

15       3.     **Advised former L&B clients of the termination of L&B's business operations**  
16 **and recommended such clients to obtain alternate representation, thereby preserving both the**  
17 **clients' legal rights and the estate's prospects for potential recovery from the continuing**  
18 **litigation.** To that end, on September 5, 2017, PSZJ filed the *Chapter 11 Trustee's Emergency*  
19 *Motion for Order (I) Authorizing Trustee to Implement Client Transition Protocol; and (II)*  
20 *Approving Compromise of Quantum Meruit Claims With The Dominguez Firm, Inc.* [Docket No. 74]  
21 which the Court approved by order entered on September 7, 2017 [Docket No. 83]. If the Trustee  
22 hadn't obtained approval of a protocol that advised such clients of L&B's defunct status, the need to  
23 secure new counsel, and provided clients with resources to obtain alternate representation, pending  
24 litigation might be subject to dismissal for lack of prosecution, thereby rendering the Estate Fee and  
25 Cost Claims held by the bankruptcy estate in connection with such litigation worthless;

26       4.     **Identified (and are continuing to track) pending litigation from which there is a**  
27 **likelihood of recovery by the estate on account of the Estate Fee and Cost Claims, based on the**  
28

1 review of dockets and pleadings and discussions with counsel of record and former L&B  
2 attorneys;

3 5. Discussed with and obtained the consent of Advocate regarding the disposition  
4 of individual Estate Fee and Cost Claims in connection with the impending settlement of L&B-  
5 related litigation;

6 6. Obtained Court approval of procedures for the resolution of Estate Fee and Cost  
7 Claims. On December 21, 2017, PSZJ filed the *Motion of the Chapter 11 Trustee for Order*  
8 *Authorizing and Approving Procedures for Resolving Estate Fee and Cost Claims* [Docket No. 183],  
9 pursuant to which the Trustee proposed omnibus procedures for asserting, settling, resolving and  
10 collecting the Estate Fee and Cost Claims (the “Settlement and Resolution Procedures”). The  
11 Settlement and Resolution Procedures established “tiered” requirements based on the size of the  
12 proposed settlement and a notice requirement, under certain circumstances. The Court approved the  
13 Settlement and Resolution Procedures (with certain modifications agreed-upon by the parties) by  
14 order entered on January 16, 2018 [Docket No. 204];

15 7. Researched various retainer and fee-sharing agreements and cost information  
16 relating to numerous L&B-related litigation in order to establish and resolve Estate Fee and  
17 Cost Claims;

18 8. Negotiated with counsel of record in various L&B-related litigation the amounts  
19 of Estate Fee and Cost Claims to be paid from the settlements of such litigation; and

20 9. Addressed various logistical, administrative, bureaucratic, banking, and other  
21 issues arising from the inclusion of Estate Fee and Cost Claims payments among multi-party  
22 checks, confusion by state courts, insurance companies and other parties regarding multiple  
23 parties’ assertion of rights to payment and, specifically, the role and authority of the Trustee  
24 vis-à-vis the Debtor’s attorneys’ lien rights.

1 matters.” *In re Manoa Finance Co., Inc.*, 853 F.2d 687, 691 (9th Cir. 1988). Twelve factors  
2 relevant to determining such fees were identified in *Johnson v. Georgia Highway Express, Inc.*, 488  
3 F.2d 714, 717-719 (5th Cir. 1974), a Title VII class action case under the Civil Rights Act of 1964,  
4 42 U.S.C. § 2000 et seq., and *Kerr v. Screen Extras Guild, Inc.*, 526 F.2d 67, 70 (9th Cir. 1975), cert.

6 questions, (3) the skill requisite to perform the service properly, (4) the preclusion of other  
7 employment by the professional due to acceptance of the case, (5) the customary fee, (6) whether fee  
8 is fixed or contingent, (7) time limitations imposed by the client or the circumstances, (8) the amount  
9 involved and the results obtained, (9) the experience, reputation, and ability of the professionals, (10)  
10 the undesirability of the case, (11) the nature and length of the professional relationship with the

12 (5th Cir. 1977) (*Johnson* criteria applicable in bankruptcy cases.).

13 The time for which compensation is sought is detailed in the Firm’s professional fee  
14 statements contained in the exhibits hereto. The Firm’s services and time expenditures are  
15 reasonable in light of the labor required in this Case. The Firm’s charges for its professional services  
16 are based upon the time, nature, extent, and value of such services and the cost of comparable  
17 services in the Los Angeles area. The compensation the Firm seeks by way of this Application is the  
18 customary compensation sought by the Firm and other professionals representing trustees,  
19 committees, and debtors in similar circumstances.

20 **B. The Factors Set Forth in Bankruptcy Code Section 330(a)(3)(A)-(F) Support the**  
21 **Allowance of the Firm’s Requested Fees and Expenses**

22 Bankruptcy Code section 330(a)(3) sets forth six factors to be considered by the Court. 11  
23 U.S.C. §§ 330(a)(3)(A)-(F). Succinctly stated, these factors are: time spent; the rates charged;  
24 whether the services were necessary or beneficial when rendered; whether the services were  
25 performed in a reasonable amount of time that is commensurate with the complexity and importance  
26 of the issue; the experience of the professional; and whether the compensation is reasonable based  
27 on the customary compensation of comparably skilled practitioners in non-bankruptcy cases.  
28

1 Although several of these factors (such as the time spent, and the timeliness of the Firm's  
2 services based on the complexity of the case) are addressed above, the Firm believes that some of the  
3 factors should be discussed separately here. First, Bankruptcy Code section 330(a)(3)(C) requires  
4 that the professional services be necessary to the administration of, or beneficial at the time at which  
5 the service was rendered toward completion of, the case. The Firm believes its services have been  
6 both necessary and beneficial to the estate.

7 This is an unusual Case. Due to the absence of filed schedules and other basic information  
8 typically available in bankruptcy cases, the Trustee and PSZJ were obliged to reconstruct the  
9 Debtor's entire financial profile and previous business operations from only limited documentation.  
10 This, in turn, enabled the Trustee to discover various litigation in which the Debtor had some prior  
11 involvement and to identify numerous parties in interest who were the Debtor's former clients,  
12 adverse litigants and counsel, vendors and other entities providing services in connection with client  
13 litigation. Communicating with these parties was essential in helping the Trustee ascertain the status  
14 of litigation, the viability of certain Estate Fee and Cost Claims and the nature and amount of costs  
15 that may be chargeable to and reimbursable from the settlement of certain former client matters.

16 The principal assets of the estate - the Estate Fee and Cost Claims - would be entirely  
17 valueless unless action were taken, as it was by the Trustee and PSZJ, to: (1) identify litigation  
18 which may give rise to such claims, either because of the Debtor's prior role as counsel of record or  
19 because of a referral relationship with counsel prosecuting the action; (2) obtain, either from records  
20 from the Debtor, affiliated persons and entities or third parties, information regarding work  
21 undertaken or costs incurred by the Debtor in connection with underlying litigation; (3) monitor such  
22 litigation to ensure that the matter is not disposed of without providing for the payment of any Estate  
23 Fee and Cost Claims; (4) ensure that the former L&B client has continuing representation,  
24 notwithstanding the termination of the Debtor's business operations, to preserve the potential for  
25 satisfying any Estate Fee and Cost Claim; (5) value any Estate Fee and Cost Claims to be asserted in  
26 connection with underlying litigation, taking into account the reasonable value of the Debtor's  
27 services and related costs incurred that may be substantiated with evidence; (6) negotiate the amount  
28 of any Estate Fee and Cost Claim with counsel involved in the underlying litigation or with referring

1 counsel; and (7) arrange for the payment of any Estate Fee and Cost Claim to the Trustee,  
2 notwithstanding potential interference by other counsel, asserted lienholders and creditors of the  
3 Debtor or other parties. Additionally, given the numerous accusations by former clients of the  
4 Debtor that matters had been settled without their consent and amounts collected by the Debtor  
5 without transmission of any portion of such funds to the clients, the Trustee and PSZJ knew it was  
6 imperative to determine the disposition of litigation and settlement funds independently and to  
7 substantiate information regarding the Estate Fee and Cost Claims from multiple sources, when  
8 possible, given the potential unreliability of the Debtor's limited records. The somewhat unusual  
9 circumstances of the Case required PSZJ to focus on developing information regarding the Debtor's  
10 overall financial condition and ascertaining the status of numerous lawsuits in order to assert and  
11 secure payment on account of the Estate Fee and Cost Claims, tasks which were undertaken by PSZJ  
12 during the Application Period. PSZJ's actions in this regard were both reasonable and beneficial.

13 Second, Bankruptcy Code section 330(a)(3)(B) and (F) require consideration of the rate for  
14 services and whether the compensation is reasonable based on customary compensation charged by  
15 comparably skilled practitioners in cases other than cases under the Bankruptcy Code. As noted at  
16 the time of PSZJ's employment by the Trustee as approved by this Court, PSZJ has charged its  
17 customary hourly rates in this Case. These rates are based on the experience of the relevant  
18 professional or paraprofessional and are reasonable based on the rates charged by comparably skilled  
19 practitioners in connection with matters other than bankruptcy cases.

20 **C. Available Funds**

21 As of the date of this Application, the Trustee holds, on behalf of the estate, the amount of  
22 \$218,553.70. The Trustee has filed the *Trustee's Motion for Order Approving Surcharge of Secured*  
23 *Creditor's Collateral* [Docket No. 239], which is presently scheduled to be considered by the Court  
24 on April 10, 2018, concurrent with this Application, and pursuant to which the Trustee requests that  
25 the Court surcharge the collateral of Advocate in the amount of the fees and costs requested to be  
26 paid to PSZJ pursuant to this Application, plus additional amounts requested by the Trustee.

V.

**CONCLUSION**

This is the Firm's first request for interim compensation in this case. The Firm believes that the services rendered for which compensation is sought in this Application have been beneficial to the estate, that the costs incurred have been necessary and proper, and that the sums requested for the services rendered and the costs incurred are fair and reasonable.

WHEREFORE, the Firm respectfully requests that this Court:

1. Approve interim compensation to the Firm in the amount of \$628,717.50 in fees and reimbursement for expenses incurred in the amount of \$33,264.87;
2. Authorize the Trustee to pay the Firm \$661,982.37, which represents 100% of the fees and 100% of the costs incurred for the period from August 22, 2017, through December 31, 2017, as and when funds are available in the estate to satisfy such amounts or as otherwise ordered by the Court; and
3. Grant such other and further relief as may be appropriate under the circumstances.

Attorneys for Richard M. Pachulski, Chapter 11 Trustee

**DECLARATION OF RICHARD M. PACHULSKI**

I, Richard M. Pachulski, declare as follows:

1. I am an attorney licensed to practice before this Court, and a founding partner in the law firm of Pachulski Stang Ziehl & Jones LLP (the "Firm"). I am also the duly appointed and acting chapter 11 trustee for Layfield & Barrett, APC, the debtor in the bankruptcy case captioned *In re: Layfield & Barrett, APC*, Case No.: 2:17-bk-19548-NB. I was appointed as Trustee on August 22, 2017.

2. I make this declaration in support of the *First Interim Application of Pachulski Stang Ziehl & Jones for Approval and Payment of Compensation and Reimbursement of Expenses For the Period of August 22, 2017 through December 31, 2017* (the "Application"), and pursuant to Local Rule 2016-1(a)(1)(J) .

3. I have reviewed the Application, the summaries, and the billing statements attached thereto as exhibits. I believe the charges described in the Application are appropriate, reasonable, and were necessarily incurred. I have no objection to the fees and expenses requested by the Application.

I declare under penalty of perjury under the laws of the State of California and the United States of America that the foregoing is true and correct.

Executed this 20th day of March 2018, at Los Angeles, California.

  
Richard M. Pachulski

**DECLARATION OF MALHAR S. PAGAY**

I, Malhar S. Pagay, declare as follows:

1. I am an attorney duly admitted to practice by the State of California and before this Court and am one of the attorneys at Pachulski Stang Ziehl & Jones LLP ("PSZ&J") responsible for the representation of Richard M. Pachulski in his capacity as Chapter 11 Trustee (the "Trustee") of the bankruptcy estate of Layfield & Barrett, APC ("L&B" or the "Debtor"), in connection with L&B's bankruptcy case (the "Case").

2. I make this declaration in support of the *First Interim Application of Pachulski Stang Ziehl & Jones for Approval and Payment of Compensation and Reimbursement of Expenses For the Period of August 22, 2017 through December 31, 2017* (the "Application").

3. I have personal knowledge of the facts set forth in the foregoing Application and, if called upon as a witness, I could and would competently testify as to all of the matters stated therein.

4. I have personally reviewed the information contained in the Application and exhibits, and believe the contents to be true and correct to the best of my knowledge, information, and belief. In particular, I believe that the bills reflect true and correct charges of the Firm.

5. The Firm customarily charges \$0.20 per page for photocopying expenses and printing, and \$0.10 for scanned materials. The Firm's photocopying machines automatically record the number of copies made when the person that is doing the copying enters the client's account number into a device attached to the photocopier. The Firm summarizes each client's photocopying charges on a daily basis. Whenever feasible, the Firm sends large copying projects to an outside copy service that charges a reduced rate for photocopying.

6. With respect to on-line legal research (e.g., Lexis and Westlaw), the Firm charges the standard usage rates these providers charge for computerized legal research. The Firm bills its clients the actual cash charged by such service providers, with no premium. Any volume discount received by the Firm is passed on to the client.

7. The Firm does not charge for local or long distance calls placed by attorneys from their offices. The Firm only bills its clients for the actual costs charged the Firm by teleconferencing services in the event that a multiple party teleconference is initiated through the Firm.

8. I am informed and believe that the foregoing expense reimbursement rates are the market rates that the majority of law firms charge their clients for such services.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
